Home Insurance Quote Checklist

Shopping around for home insurance? Getting a quote is as easy as 1-2-3 with CAA Insurance. Before you call or do an online quote, use this simple checklist to get all the information you will need handy. You'll save time and get the most accurate quote.

Step 1: Your personal information

- Type of dwelling: primary residence, own or rent, seasonal/secondary
- Any business, including child care, conducted on the premises?
- CAA Membership number (you don't have to be a Member to be insured with us, but CAA Members get exclusive perks!)

Step 2: Your home insurance details

- Your existing home insurance policy documents, dates of coverage and coverage details
- Insurance history: any claims in last 10 years?
- Number of mortgages and name of company
- Previous address (if at current address for less than five years)

Step 3: Your home's features

- Building details: year built, square feet, building style and type of exterior, garage (attached/detached), roof type and age

- Heating: primary and secondary heating source
- Is there a professionally installed backwater valve or sump pump?
- Are there professionally installed water detection sensors?
- Special features: fireplace, swimming pool, hot tub and sauna
- Safety features:
 - Burglar alarm
 - Distance from fire hydrant
 - Distance from fire station
- Additional coverage: home technology, jewellery, art collection, other valuables. For items over \$10,000, have your appraisals and any receipts and authentication documents handy.
